**Subject:** Meetings this week with BVDA and Homestake

Hi Kurt,

I am sure you are aware that we canceled the community meeting for Thursday night in light of the spill at the Gold King mine. I have attached a copy of some slides that I will go over with the BVDA/MASE on Wednesday as a status update on our background reassessment. There are a few slides at end of presentation (Other Slides) that we may use if questions take us there.

See you tomorrow.

Mark
